“Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with him, and he with me.”
—Revelation 3:20

This Week in the News—

THANK YOU—Thank you to those who drove and chaperoned our field trip to Side Cut Metropark. It was a success and we are thankful it turned out to be such a nice day. It wouldn't have been possible without your help.

RETURN ITEMS—Please look around your home for any items that belong to Zion, but ended up at home. These items could be library books, school tools, athletic apparel, or a host of many things.

ZZZZ...—With the beautiful weather and having it light out longer, its easy to lose track of bedtimes. Please make sure your student gets enough sleep. A positive attitude and a brain that is ready to learn go a long way in the classroom!

Miss Biedenbender's Room—

Spelling—This week we will be on Lesson 33 words.

Hymn—We will recite hymn 179 *Hail Thee Festival Day* on Wednesday, May 19th. 1st and 2nd graders will recite stanza 1, 3rd and 4th graders will recite stanzas 1 and 3.

Book Reports— The final book reports of the school year are due **May 25th** for 1st-4th grades. Please let Miss B. know if you need the book report information again.

Homework—Should be completed before school begins. Work that is not done will be late and receive a late slip. Two late slips within a week equals a detention.

Dates Coming Up—

Sunday, May 16	Confirmation—9:00am Zion Lutheran Church
Monday, May 31	Memorial Day No School
Tuesday, June 1	Toledo Zoo Field Trip 9:30am-3:00pm
Friday, June 4	Last Day of School and Picnic 8:00-11:30am
Sunday, June 6	Graduation—9:00am Zion Lutheran Church

Mr. Scherschel's Room—

Hymn—This week's hymn is 293, *God's Word is Our Great Heritage*. Students must learn the entire hymn.

Book Report—We are finished with our book reports for the year.

Reading—We are over half-way through The Dark is Rising by Susan Cooper. Students have daily reading assignments. Read this adventure story with your child!

Science—We have started a new section in science; “Systems in Living Things.” The marigolds, beans or sunflowers we planted are going strong. Have you considered planting a garden at home? It is a great way to save money and spend time with one another.
