TRACK—All 3-8 grade students should be at Zion tomorrow, May 7th, at 7:20am to head off to our track meet. Please contact the school if there are circumstances that prohibit you from attending. We look forward to having fun using our God-given abilities at tomorrow’s meet.

ZZZZ...—With the beautiful weather and having it light out longer, its easy to lose track of bedtimes. Please make sure your student gets enough sleep. A positive attitude and a brain that is ready to learn go a long way in the classroom!

Science—We have started a new section in science; “Systems in Living Things.” We have planted marigolds and either sunflowers or beans. Have you considered planting a garden at home? It is a great way to save money and spend time with one another.
